

Music Bay

2022 Hawkes Bay

Rosé

We choose Merlot to make our Music Bay Rosé because the grape delivers a broad spectrum of aromas and flavours – ranging from the classic strawberry to wonderful hints of red plum. For this vintage, beautifully ripe Merlot grapes were gently crushed and passed to a temperature-controlled stainless-steel tank. The juice was then “bled” from the tank and we began a cool fermentation to retain all the bright berry flavours and crispness.
